On demand the Companies shall and will pay to the said Government of Eastern Bengal and Assam all and every compensation in respect of the said land tendered, paid or awarded or to be tendered, paid or awarded, by the Collector under the Land Acquisition Act, 1894, or by the Court to which a reference under Part III of the said Act may be made, or by the Court of Courts to which an appeal from the award of the said Court may be preferred, and all costs, charges and expenses of the proceedings in the aforesaid Courts, or otherwise incidental to the proposed acquisition or payable in respect thereof under the provisions of the said Act.

2. On demand made by the said Collector the obligations of the Companies under the last preceding clause not being thereby limited, the Companies shall and will deposit with the said Collector such sum or sums of money as in his discretion the said Collector may in anticipation estimate to be necessary for the purposes mentioned in the last preceding clause.

such 3. On payment by the Companies of all demands under the foregoing first clause, or in the discretion of the said Government of Eastern Bengal and Assam *(on deposit by the Companies of all estimated amounts as provided in the 2nd clause), but not before possession shall have been taken under the provisions of the abovementioned Act, the Secretary of State shall make over possession of the said land to the Companies and shall execute and do all such acts and deeds as may be necessary and proper for effectually vesting the same in the Companies.

7. On taking such possession the said Government may sell or otherwise deal with the said land as it may think proper. Should the said Government sell the said land, the said Government after deducting the expenses incurred in connection with the said taking of possession and with such sale shall pay the proceeds to the Companies. Should the said Government, on taking possession, decide not to sell the land, it shall repay to the Companies all sums received from the Companies in respect of all and every compensation as provided in the foregoing first clause (less the Statutory allowance of 15 per cent.), but will not repay any sums paid and received on account of costs, charges and expenses.

8. The public shall be entitled to use the said land on the following terms, embarkation and disembarkation of passengers.

9. Should any dispute or difference arise touching or concerning the subject-matter of this agreement any covenant clause or thing herein contained the same shall be referred to the said Government of Eastern Bengal and Assam, and the opinion and decision of the said Government upon such dispute or difference shall be final and conclusive and binding on the parties hereto.

1. The examination is held annually at the Civil Engineering College, Sibpur, on the first Monday in June. The examination will be conducted, either at the College, or by an Accountant-General (including Government Examiner of Railway Accounts and Examiner of Accounts, Lower Ganges Bridge Project), in Bengal, Eastern Bengal and Assam and Burma only. The examination will be *ipso facto* vitiated, if it be not held (begun and completed) on the dates fixed ; but the officer who will conduct the examination may make his own arrangements with the candidates in regard to the *place* and *hour* of examination.

Candidates will not be examined in any of the Calcutta offices.

A candidate already in permanent Government employ* may be allowed to compete in the examination, even if he is more than 25 years of age, and may be appointed to an accountantship, if he passes it ; but if he is not already in pensionable service, he

* This term includes employment under Local Boards and Foreign bodies, if such is pensionable by the British Government.

will be eligible only for appointment to the non-pensionable establishment on State Railways.

2. The candidate should apply to an Accountant-General not later than 30 days previous to the date fixed for the examination and obtain his consent to conduct the examination, if examination at the College is not convenient. The application must bear the address of the candidate, must be accompanied by a fee of ₹10 and the following certificates and registration form duly filled in, and must be forwarded by him not direct to the Principal, but through the Accountant-General.

Certificates may be submitted in original, or true copies attested by an officer of the Engineer or Accounts Branch, but none will be returned :—

(1) Certificate of good character signed by applicant's immediate official superior, or by the instructor under whom he has been educated, or by some other superior under whom he may have been brought up or employed, or to whom he may be well known. (This certificate must have special reference to the two years immediately preceding the application.)

(2) Certificate of age, baptismal or of birth (not required, if the candidate is already in permanent Government employ).

(3) Certificate that the application is in the candidate's hand-writing.

(4) Registration statement containing the following information :—

(a) Name in full.

(b) Father's name.

(c) Nationality or class, *i.e.*, European, Anglo-Indian or Indian, of candidate ; and, if Indian, caste or tribe.

(d) Date of birth.

(e) Place of birth.

(f) Present address.

(g) Examinations passed.

(h) Thumb mark of candidate, left hand, to be made in the presence of a responsible person who knows candidate.

(i) Signature and address of above-mentioned witness.

NOTE.—A candidate already in Government service should, in like manner, submit his application, through his immediate official superior to an Accountant-General (including Government Examiner of Railway Accounts and Examiner of Accounts Lower Ganges Bridge Project), qualified to hold the particular examination, and should state whether he desires to be examined at the office of the Accountant-General concerned or at the College.

It will rest with the Accountant-General (including Government Examiner of Railway Accounts and Examiner of Accounts, Lower Ganges Bridge Project) to whom the candidate submits his application, to decide, on a consideration of the certificates submitted, whether the candidate should be allowed to appear for the examination, or whether his application should be rejected. The Accountant-General or the other officers referred to will then forward to the Principal, for registration, the names of the accepted candidates, together with their registration statements, which should be signed by the Accountant-General. The registration statements should be carefully preserved by the Principal. The names of these candidates should be entered in a statement showing their ages and their addresses, and also showing where each candidate is to be examined, whether at the College or at the office of the Accountant-General. This statement, together with the fees, should be transmitted to the Principal not later than 15 days after the dates fixed in paragraph 2 for the submission of applications of candidates.

3. Examination papers that are issued for examination need not be returned.

4. Each examination is complete in itself. A candidate who has failed in an examination, and presents himself for examination on a subsequent occasion, must undergo the full examination and furnish fresh fee and certificates.

5. If from any cause a candidate fails to appear for the examination, the fee paid will not be refunded.

6. It must be distinctly understood that the passing of this examination does not give any claim to an appointment and that, in making appointments, preference will be given to qualified persons who are already employed in the Department.

7. Passed candidates should apply, not to the Principal of the College, nor to the Comptroller-General but direct to the Accountant-General or Government Examiner of Railway Accounts in the province or railway under whom they may desire to be employed.

8. The Civil Engineering College acts solely as an examining body in reference to admission to the 4th grade of Accountants, Public Works Department.

9. Candidates for the 4th grade Accountantship examination, who are not Government servants and over 25 years of age, are allowed to appear at the examination of the Sibpur College centre only, but, even if successful, they are debarred from employment in the service of Government, and their names will be excluded from the list of passed candidates which is furnished to the Comptroller and Auditor General.

10. Candidates over 25 years of age should apply in writing to the Principal of the Civil Engineering College not later than 30 days previous to the examination ; the application to be accompanied by the fee of rupees ten, and the Registration statement prescribed in rule 2 (4).

The examination will be conducted, either at the College, or by an Accountant-General (including Government Examiner of Railway Accounts and Examiner of Accounts, Lower Ganges Bridge Project), in Bengal, Eastern Bengal and Assam and Burma only. The examination will be *ipso facto* vitiated, if it be not held (begun and completed) on the dates fixed; but the officer who will conduct the examination may make his own arrangements with the candidates in regard to the *place* and *hour* of examination.

Candidates will not be examined in any of the Calcutta offices.

A candidate already in permanent Government employ* may be allowed to compete

establishment on State Railways.

in the examination, even if he is more than 25 years of age, and may be appointed to an accountantship, if he passes it; but if he is not already in pensionable service, he will be eligible only for appointment to the non-pensionable

2. The candidate should apply to an Accountant-General not later than 30 days previous to the date fixed for the examination and obtain his consent to conduct the examination, if examination at the College is not convenient. The application must bear the address of the candidate, must be accompanied by a fee of Rs 10 and the following certificates and registration form duly filled in, and must be forwarded by him not direct to the Principal, but through the Accountant-General.

Certificates may be submitted in original, or true copies attested by an officer of the Engineer or Accounts Branch, but none will be returned:—

(1) Certificate of good character signed by applicant's immediate official superior, or by the instructor under whom he has been educated, or by some other superior under whom he may have been brought up or employed, or to whom he may be well known. (This certificate must have special reference to the two years immediately preceding the application.)

(2) Certificate of age, baptismal or of birth (not required, if the candidate is already in permanent Government employ).

(3) Certificate that the application is in the candidate's hand-writing.

(4) Registration statement containing the following information:—

(f) Present address.

(g) Examinations passed.

(h) Thumb mark of candidate, left hand, to be made in the presence of a responsible person who knows candidate.

(k) Signature and address of above-mentioned witness.

NOTE.—A candidate already in Government service should, in like manner, submit his application, through his immediate official superior to an Accountant-General (including Government Examiner of Railway Accounts and Examiner of Accounts, Lower Ganges Bridge Project), qualified to hold the particular examination, and should state whether he desires to be examined at the office of the Accountant-General concerned or at the College.

It will rest with the Accountant-General (including Government Examiner of Railway Accounts and Examiner of Accounts, Lower Ganges Bridge Project) to whom the candidate submits his application, to decide, on a consideration of the certificates submitted, whether the candidate should be allowed to appear for the examination, or whether his application should be rejected. The Accountant-General or the other officers referred to will then forward to the Principal, for registration, the names of the accepted candidates, together with their registration statements, which should be signed by the Accountant-General. The registration statements should be carefully preserved by the Principal. The names of these candidates should be entered in a statement showing their ages and their addresses, and also showing where each candidate is to be examined, whether at the College or at the office of the Accountant-General. This statement, together with the fees, should be transmitted to the Principal not later than 15 days after the dates fixed in paragraph 2 for the submission of applications of candidates.

3. Examination papers that are issued for examination need not be returned.

4. Each examination is complete in itself. A candidate who has failed in an examination, and presents himself for examination on a subsequent occasion, must undergo the full examination and furnish fresh fee and certificates.

5. If from any cause a candidate fails to appear for the examination, the fee paid will not be refunded.

6. It must be distinctly understood that the passing of this examination does not give any claim to an appointment and that, in making appointments, preference will be given to qualified persons who are already employed in the Department.

7. Passed candidates should apply, not to the Principal of the College, nor to the Comptroller-General but direct to the Accountant-General or Government Examiner of Railway Accounts in the province or railway under whom they may desire to be employed.

8. The Civil Engineering College acts solely as an examining body in reference to admission to the 4th grade of Accountants, Public Works Department.

9. Candidates for the 4th grade Accountantship examination, who are not Government servants and over 25 years of age, are allowed to appear at the examination of the Sibpur College centre only, but, even if successful, they are debarred from employment in the service of Government, and their names will be excluded from the list of passed candidates which is furnished to the Comptroller and Auditor General.

10. Candidates over 25 years of age should apply in writing to the Principal of the Civil Engineering College not later than 30 days previous to the examination; the application to be accompanied by the fee of rupees ten, and the Registration statement prescribed in rule 2 (4).

1. The examination is held annually at the Civil Engineering College, Sibpur, on the first Monday in June. The examination will be conducted, either at the College, or by an Accountant-General (including Government Examiner of Railway Accounts and Examiner of Accounts, Lower Ganges Bridge Project), in Bengal, Eastern Bengal and Assam and Burma only. The examination will be *ipso facto* vitiated, if it be not held (begun and

completed) on the dates fixed ; but the officer who will conduct the examination may make his own arrangements with the candidates in regard to the *place* and *hour* of examination.

Candidates will not be examined in any of the Calcutta offices.

A candidate already in permanent Government employ* may be allowed to compete in the examination, even if he is more than 25 years of age, and may be appointed to an accountantship, if he passes it ; but if he is not already in pensionable service, he will be eligible only for appointment to the non-pensionable establishment on State Railways.

* This term includes employment under Local Boards and Foreign bodies, if such is pensionable by the British Government.

2. The candidate should apply to an Accountant-General not later than 30 days previous to the date fixed for the examination and obtain his consent to conduct the examination, if examination at the College is not convenient. The application must bear the address of the candidate, must be accompanied by a fee of Rs 10 and the following certificates and registration form duly filled in, and must be forwarded by him not direct to the Principal, but through the Accountant-General.

Certificates may be submitted in original, or true copies attested by an officer of the Engineer or Accounts Branch, but none will be returned :—

(1) Certificate of good character signed by applicant's immediate official superior, or by the instructor under whom he has been educated, or by some other superior under whom he may have been brought up or employed, or to whom he may be well known. (This certificate must have special reference to the two years immediately preceding the application.)

(2) Certificate of age, baptismal or of birth (not required, if the candidate is already in permanent Government employ).

(3) Certificate that the application is in the candidate's hand-writing.

(4) Registration statement containing the following information :—

(a) Name in full.

(f) Present address.

(g) Examinations passed.

(h) Thumb mark of candidate, left hand, to be made in the presence of a responsible person who knows candidate.

(k) Signature and address of above-mentioned witness.

NOTE.—A candidate already in Government service should, in like manner, submit his application, through his immediate official superior to an Accountant-General (including Government Examiner of Railway Accounts and Examiner of Accounts, Lower Ganges Bridge Project), qualified to hold the particular examination, and should state whether he desires to be examined at the office of the Accountant-General concerned or at the College.

It will rest with the Accountant-General (including Government Examiner of Railway Accounts and Examiner of Accounts, Lower Ganges Bridge Project) to whom the candidate submits his application, to decide, on a consideration of the certificates submitted, whether the candidate should be allowed to appear for the examination, or whether his application should be rejected. The Accountant-General or the other officers referred to will then forward to the Principal, for registration, the names of the accepted candidates, together with their registration statements, which should be signed by the Accountant-General. The registration statements should be carefully preserved by the Principal. The names of these candidates should be entered in a statement showing their ages and their addresses, and also showing where each candidate is to be examined, whether at the College or at the office of the Accountant-General. This statement, together with the fees, should be transmitted to the Principal not later than 15 days after the dates fixed in paragraph 2 for the submission of applications of candidates.

3. Examination papers that are issued for examination need not be returned.

4. Each examination is complete in itself. A candidate who has failed in an examination, and presents himself for examination on a subsequent occasion, must undergo the full examination and furnish fresh fee and certificates.

5. If from any cause a candidate fails to appear for the examination, the fee paid will not be refunded.

6. It must be distinctly understood that the passing of this examination does not give any claim to an appointment and that, in making appointments, preference will be given to qualified persons who are already employed in the Department.

7. Passed candidates should apply, not to the Principal of the College, nor to the Comptroller-General but direct to the Accountant-General or Government Examiner of Railway Accounts in the province or railway under whom they may desire to be employed.

8. The Civil Engineering College acts solely as an examining body in reference to admission to the 4th grade of Accountants, Public Works Department.

9. Candidates for the 4th grade Accountantship examination, who are not Government servants and over 25 years of age, are allowed to appear at the examination of the Sibpur College centre only, but, even if successful, they are debarred from employment in the service of Government, and their names will be excluded from the list of passed candidates which is furnished to the Comptroller and Auditor General.

10. Candidates over 25 years of age should apply in writing to the Principal of the Civil Engineering College not later than 30 days previous to the examination; the application to be accompanied by the fee of rupees ten, and the Registration statement prescribed in rule 2 (4).
